EDUCATIONAL OBJECTIVES:

Upon completion of this activity, participants will be able to:

1. Understand the prevalence, etiology, predisposing factors, symptomatology and appropriate patient treatment associated with pelvic organ prolapse
2. Identify patients requiring treatment and establish a treatment plan
3. Identify nonsurgical options for treatment, including pessary care and vaginal estrogen
4. List options for surgical correction by vaginal, abdominal, laparoscopic and combined routes based on anatomy, functional needs, and health status of the patient

ACCREDITATION STATEMENT:

Hurley Medical Center is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.

DESIGNATION STATEMENT:

Hurley Medical Center designates this live activity for a maximum of **1 AMA PRA Category 1 Credit(s)**.™ Physicians should only claim the credit commensurate with the extent of their participation in the activity.
