Kalyan Saginala, MD

Kalyan is from Hyderabad, India. He attended B.L.D.E. Univeristy's Sri B.M. Patil Medical College – Hospital & Research Centre. After earning his degree, he joined and completed an Emergency Medicine residency at St. John's Medical College in India. While he enjoyed the broad scope of cases in the ER, he realized that he would like to see the patients on more of a long term basis, which led him down the path to Med-Peds. Kalyan enjoys cooking, traveling, soccer, table tennis and swimming.

Anas Salih, MD, MPH

AAbdu002@fiu.edu

Anas is originally from Baghdad, Iraq. He attended the University of Baghdad – College of Medicine. In 2006, he received a Fulbright Scholarship to study in the United States. He took this opportunity to earn a Master's of Public Health with a focus in epidemiology and biostatistics from Florida International University. Upon returning back to Iraq, and after great persistence, Anas was able to join and complete an Internal Medicine residency at Jordan University Hospital. From there, he was accepted into the Resettlement Program into the US. He moved to Michigan and began to volunteer at Hamilton Community Health Network as a medical scribe & medical assistant.

Anas now lives in Ann Arbor with his wife and works full-time at Michigan Health Specialists. He enjoys meeting new people, traveling, cooking, fishing and reading medical journals.
